

**ALLERGEN
& NUTRITIONAL**
Information

As we make our doughnuts fresh daily and use many ingredients and shared equipment we cannot guarantee that **any** of our products (including drinks) are free from allergens (including wheat and cereals containing gluten, milk, eggs, soya, nuts, peanuts, sulphites and others).

There are 14 major allergens which need to be declared when used as ingredients, we provide information on these allergens in this guide which are: peanuts, nuts, fish, eggs, crustaceans, sesame seeds, milk, soya, celery, mustard, lupin, molluscs, cereals containing gluten and sulphites/sulphur dioxide. If you have a query about any other ingredient please ask a member of our team who will contact our Customer Care team or contact: helpdesk@krispykreme.co.uk

For all packaged food including impulse items please refer to the packaging for allergen information.

‘✓’ in a column entitled ‘allergen(s) (e.g. wheat gluten) present’ indicates that the product contains that allergen & is therefore not suitable for a person with an allergy or intolerance to it.

‘The **‘Yes’/‘No’** in the column entitled ‘suitable for Vegetarians / Vegans ’ and ‘suitable for Individuals following a Halal diet’ details information supplied by the product manufacturer.

Gluten is a protein component of wheat, rye, barley & oats.

Milk includes all products containing milk or milk derivatives e.g. cream

The **Treenuts/nuts** column indicates the presence of the following; almonds, brazils, cashews, hazelnuts, macadamias, pecans, pistachios, walnuts & their derivatives. The ‘Tree Nut Source (If Present)’ column indicates which tree nut is present in the product.

Drinks Please note that all our drinks nutrition information has been calculated using published data. Please also note that some of our drinks made with Soya Milk may contain other ingredients made from cows’ milk.

As we use many ingredients and shared equipment we cannot guarantee our food to be allergen free.
